ATTORNEY

Jeremy Miller is a member of Kirton McConkie's First Amendment and Religious Organizations section. His practice focuses on assisting clients with high-risk and highly sensitive situations.

Mr. Miller also serves corporate clients and businesses on contracts, privacy and cybersecurity laws and best practices, and other general counsel services. He is an International Association of Privacy Professionals (IAPP) Certified Information Privacy Technologist (CIPT).

EXPERIENCE

- Spent eleven years working as a lead associate for Booz Allen Hamilton, focusing on privacy and data security matters for the federal government, providing analysis and development of significant government policies, standards, and procedures.
- Spent three-and-a-half years in litigation at a small firm in Salt Lake City and as a solo practitioner, dealing with family law, discrimination, personal injury, and criminal defense.
- Worked for the Utah Department of Health as an assistant attorney general providing advice on government contracts, data use and disclosure laws, and legislative matters impacting the department.
